

Brother logo guidelines

We're happy you're going to use our logo! To make sure your message looks great and stays true to the Brother brand, keep it simple! Check out our fuss-free guidelines, below:

Use of Materials

The images and logos in this Marketing Library are property of Brother Canada. Use them only to promote Brother's products, programs or promotions. The materials found in this Marketing Library shouldn't be used for any other reason. For example, if you were thinking of using our logo to sell something on Craigslist or at your kid's craft fair, sorry, no can do!

- Changes to any of the materials found in this Marketing Library are not allowed.
- We might change these rules as needed and without prior notice.
Be sure to check back every once in a while.

Visual Identity

Here are the minimum sizes for using our logos online and in print:

Always use our corporate logos in a horizontal position. No distortion, no added borders or graphics. Keep them true to their original format.

Minimum sizes

Print = 20 mm
Web = 70 pixels

Use the blue logo on a white background only.

Use the white logo on a black or Brother brand blue background only (shown below).

Here are a few handy guidelines for using our logos online and in print:

Brother brand colour
